 - d. The taste of the toothpaste is good
- 2) It is good to listen to patients because a nursing assistant can
 - a. Learn about the patient's feelings and problems by giving them a chance to talk
 - b. Just sit and rest while the patient makes conversation
 - c. Learn English from the patients because many of them are native English speakers
 - d. Do other things and catch up on work while the patient is talking
- 3) How can you teach your family about your job as a caregiver?
 - a. Take them to work with you
 - b. Tell them the secrets of your patients
 - c. Take pictures of you working
 - d. Describe what you do without revealing the name of patients and other confidential information
- 4) Being on time to a job is important because
 - a. You may not get a good parking spot if you are late
 - b. You get paid less when you are late
 - c. Your employer must have someone on duty at all times and if you are late, the person you are replacing cannot leave to go home until you arrive
 - d. You will not have time to drink coffee before the start of your shift
- 5) What is the best action to take when encountering someone who provides poor patient care?
 - a. Confront them and tell them they need to do a better job
 - b. Report what you see to your supervisor
 - c. Tell the patient the care they received was not very good and you will give them better care now you are here
 - d. Remain silent and don't do anything about it
- 6) When delivering a meal to a patient which is *incorrect*?
 - a. Make sure you are giving the correct meal to the patient
 - b. Ask if they need any help with eating or need anything else
 - c. Make sure they are sitting up and can reach their meal tray
 - d. If the food gets cold, just deliver the tray to the patient anyway

ENGLISH IS MY SECOND LANGUAGE
LNA CLASS READINESS QUIZ

- 7) If you cannot come to work because you are ill, you should
- Call your supervisor as early as possible so a replacement can be found
 - Go to work sick but stay six feet away from patients
 - Go to work but only do paperwork and tell your boss you will stay at your desk
 - Pretend you are not ill and take a lot of drugs to make yourself feel better
- 8) If you find a pill on the floor what should you do?
- Throw out the pill and don't tell anyone
 - Hide the pill in your pocket and try to figure out who should take the pill
 - Flush the pill down the toilet so no one will get in trouble
 - Go to the nurse and give her the pill and also tell her where you found it
- 9) If you don't understand something that is said in class, you should
- Wait a few minutes to see if you can figure it out from what others say
 - Ask a question of the instructor, telling her you don't understand what is being said
 - Write down your question so you can try to figure it out later by yourself
 - Ask someone from your family to sit with you and help you with questions during the class
- 10) If your English skills need to improve you should
- Not let anyone know you are confused and take the course anyway
 - Get advice from your instructor so you can learn the vocabulary you will need to pass the LNA exam
 - Give up and go into a different profession
 - Speak only in your native language because it is more comfortable and just hope you can pass the test when the time comes
